CAR WASH SHAMPOO #CWS025

- Premium quality Shampoo.
- Leaves sweet smell after use.
- Extra foam, cleans all surfaces.
- Multi-utility product for two & four wheelers.
- Wash and glow formula, restore shine immediately.
- Neutral pH-Value 7, no harm to hands.
- Compatible with alloy rim, painted surface, glass, rubber, fabric etc.

• Standard Volume : 1Ltr

VINYL PROTECTANT #VP026

- Restores shine and repels dust.
- Dries to film that won't attract dust.
- Multipurpose clean and shine formula.
- Enhances shine, protect and weatherproof.
- Suitable for two wheelers and four wheelers.
- Protects, beautify, restores vinyl and leather upholstery, dashboard, tires etc.
- Spraysol Vinyl Protectant provides long lasting protection and shine.

• Standard Volume :1Ltr

RADIATOR COOLANT #RC027

- An ideal anti-freeze mixture.
- Excellent corrosion protection.
- Improves the engine performance.
- Maximize engine cooling efficiency.
- Suitable for all water cooled engines.
- Prevents overheating, scaling, clogging etc.
- Non-Silicate, Non-Phosphate Anti-Freeze Coolant.

• Standard Volume : 1Ltr

AUTO BODY SHINER #ABS001

- Repels dust and restores the shine.
- An ultra high gloss shine looks like mirror.
- Guard against UV, corrosion and pollution.
- Excellent shiner with long lasting shine effect.
- Smooth, easy and wipes off with no extra effort.
- Removes light oxidation and micro scratches from the surface.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

TYRE SHINER #TS002

- Removes tyre stains and scuff marks.
- Lasts longer than any other protectant.
- Reflects dust and restores long lasting shine.
- Brings back new look richness & blackness on tyre.
- Helps to prevent tyre from drying, fading or crack
- Polymer foam based formula makes your tyre new in seconds.
- Enhances the life of tyre.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

COCKPIT ENHANCER #CE003

- Makes it look shiny, repel dust.
- Leaves pleasant & fresh scent behind.
- Cleans & cares for all plastic parts in the car interior.
- Poly-dimethy- siloxane formula give good gloss/color and that help mask light scratches.
- Removes the hardened dirt and grease built in the dashboard.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

DASH BOARD SHINER #DBS014

- Renovates car interiors.
- Forms a clear, inert, non-brilliant water repellent film. polishes dashboards, bumpers, spoilers.
- It may cause you to lose your grip on the wheel while driving.
- Do not apply Spraysol Dashboard Shiner to the steering wheel because it may cause you to lose your grip on wheel while driving.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

RUST-NIL #RN004

- Odourless, nontoxic, biodegradable formulation.
- Lubricates machineries having extremely low clearance.
- Displaces moisture from electrical and electronic assemblies.
- Multipurpose rust remover, penetrator, cleaner & light lubricant.
- Has an advanced package of antirust, antioxidant, metal deactivators.
- Loosens rusted nuts & bolts, joints and other threaded connections.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

THROTTLE BODY CLEANER #TBC010

- Powerful formula of concentrator solvent.
- Super jet spray cuts and removes grease and varnish.
- Improves engine performance, Keeps clean, fuel efficient and trouble free.
- Helps to free sticky valves, struck heat risers and throttle linkages.
- Cleans engine carburetors, automatic chokes, throttle bodies. PCV valves & linkage.
- Specially formulated to remove dirt, carbon, gum and varnish deposit.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

CHAIN CLEANER #CC011

- Very effective fast evaporating aerosol cleaner.
- Heavy duty formula to remove grease, carbon and dirt in minutes.
- Very useful to clean chain, bearings, bolt, conveyor, engine parts etc.
- Non-corrosive and contains special anti-corrosion additives.
- Easily removes chain grease from rims and swing arms too.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

ADHESIVE CHAIN LUBE #ACL012

- Water repellent, high temperature quality.
- Low fling-off even under high speed conditions.
- Long term protection from moisture, dust, wear due to bending, twisting and stretching.
- Reduces leaks, noise and vibration, into tight inaccessible areas.
- Excellent penetration, effective cleaning and lubrication.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

ENGINE LACQUER COATING #ELC015

- Excellent water resistance, flexibility.
- Good exterior durability and toughness.
- Never allow dust accumulation firmly or easily.
- Provides excellent insulation on electrical system.
- Provides a fresh and new look to the engine surface.
- Gives protection against oxidation, corrosion caused by moisture, dust & dirt.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

RUBBER CARE (Window Dresser) #RB005

- Excellent polymer based lubricant.
- Prevents rubber parts from cracking.
- Enhances the life of plastic and rubber parts.
- Can be used on rubber, plastic, metal parts and assemblies used in window frames of automobiles.
- Fine Cut Rubbing Polish to be used to remove oxidizes paint from a car's finish.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

UNDER BODY ANTI RUST COATING #UB006

- Bitumen based anti rust rubber coating.
- Protects from water, moisture and debris.
- Forms a watertight seal that resists salt corrosion & rust.
- Can be used on under body, repair work, weld joints etc.
- Seals cracks, leaks, protect expensive repair work under a thick, rubbery skin.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml
1Ltr bulk

BRAKE CLEANER #BC020

- Non-corrosive, water repellent formula.
- Evaporates quickly, leaving no residue.
- Contains no ozone depleting solvents or CFCs.
- Friendly to paint, plastics and rubber seal materials.
- Powerfully cleans-linings, drums & metal parts.
- Removes brake fluid, oil, grease & other contaminants instantly.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

SILENCER COATING #SC016

- Long life tough coating.
- New generation resin formula.
- Provides good protection against corrosion.
- High temperature resistance up to 400°C.
- Gives a fresh and new look to the silencer.
- Available in silver bright and black matt finish.
- Suitable for intake and exhaust pipes, furnace, boiler and tank construction.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

ROBUST CAR DEO #TCD007

- No Gas formulation.
- Quickly neutralize malodour.
- Excellent international fragrances.
- High end fragrance - for use anywhere.
- Also, counter smoke, decay, solvent, vomit, cooking, pet odors etc.

Carton Pack : 24pcs • Standard Volume : 150ml

BATTERY TERMINAL COATING #BTC019

- Will not crack or peel.
- Anti-sulfation / Anti-corrosion coating.
- Resistant to heat, gasoline, oil & grease.
- Excellent product for battery terminal coating.
- Air tight, water proof and acid resistant coating.
- Prevents current losses and enhances the battery life.
- Very good thermal, oxidation and chemical stability.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

ELECTRICAL CONTACT CLEANER #ECC008

- Fast drying cleaner cum degreaser.
- Excellent on-line electrical contact cleaner.
- Safe product, non-flammable, non-conductive.
- Non-corrosive, ultra-high di-electric strength.
- Can be used on electrical circuits, bus bars, cables, motor connections, relays, carbon bushes etc.
- Prevents short circuiting and leaves no sticky film, powdery or oily residues.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

AC DISINFECTANT #AC018

- Leaves a pleasant fragrance in the car.
- Disinfectant, fragrance, cleans and protects.
- Prevents allergic reactions that can be triggered by bacteria and micro-organism.
- Highly effective air conditioner cleaner with flavoured disinfectant properties.
- Natural essential formula eliminates bacteria, virus, stench and fungus.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

AIR DRYING PAINT #ADP009

- Prevents rust, Non-toxic when dry.
- Spray paint dries to touch in 15 minutes.
- Tough, durable, smooth professional finish.
- Great for furniture, metal & wood railings, bicycles, craft, plastic & metal garden accessories, cabinets, door, cooler, tools, machineries, automobiles, car, bike, electrical panels and thousands of other applications.

Carton Pack : 24pcs • Standard Volume : 500ml

SPRAY GREASE #SG017

- White translucent/creamy lithium based grease.
- Leaves adherent soft film, won't run or wash away.
- Provides all weather lubrication for any moving parts.
- Penetrates & forms a protective film that withstands corrosion, loads and speeds.
- Can be used on hinges, joints, linkages, reversing lever, door catch bands etc.

Carton Pack : 24pcs • Standard Volume : 500ml/150ml

ADHESION PROMOTER #AP021

Used to promote adhesion of acrylic tapes of surface such as polythene, polypropylene, ABS, PET/PBT blends, concrete, wood, glass, metal surface.

APPLICATION: Shake well before use. Apply a thin uniform coating to the bonding surface using the minimum amount that will fully coat the surface. Allow it to dry thoroughly before applying VHB tape. This is usually accomplished in 5 min at room temperature.

• Standard Volume : 500ml

WINDSHIELD CLEANER #WC022

Windshield Cleaner is a highly effective concentrate which has been specially formulated for vehicle wind shield washer system as well as the manual cleaning of vehicle windows.

High cleaning efficiency

0% solid and Phosphate free

Does not attack rubber, paint or plastic.

INSTRUCTION:

Use 50ml per 2.5 liter of water in water reservoir.

Empty the content of bottle into vehicle's wind shield bottle and refill up with fresh tap water.

Standard volume: 50ml

ENGINE OIL ADDITIVE #EOA023

Engine oil additive is designed for enhanced fuel economy and maximum catalyst compatibility. This unique combination of additives contains a high level of molybdenum and organic friction modifiers for improved fuel economy, a low phosphorus anti wear system for improved catalyst compatibility and strong anti-oxidant system to promote fuel economy retention while maintaining oil robustness.

APPLICATIONS: Added to the lubricating oil of engines, compressors, pumps and transmission. Excellent for use in passenger car & commercial engines. compatible with all motor oils.

Standard volume: 50ml/250ml

ENGINE FLUSH #EF024

Engine Flush is a specially formulated combination of additives and carrier fluid. In combination with the carrier fluid, the highly effective detergency and dispersant additives, dissolve sludge and lacquer former.

APPLICATIONS: Cleaning and Flushing out the oil circuit of engines. The use of engine flush is dependent on the degree of contamination of the oil circuit. Engine Flush to the motor oil at running temp. before changing the oil. After adding idle for 5 min.

Standard volume: 50ml/250ml
